

WASHINGTON COUNTY COURTHOUSE ARCHIVES
NEWSPAPER COLLECTION

Exciting News!

The Washington County Courthouse Newspaper Collection is now available on one searchable thumb drive. The user is able to type in any name or item and it will be highlighted in yellow throughout the document. The years digitized begin in 1818 and go through to 1945, with some years missing because they were unavailable, as is 1945, or in some instances, too large for the scanner. The cost of thumb drive is \$200.00

For more information or to purchase a thumb drive, contact Carla Manchester at the County Commissioners Administrative Office. You may call (207) 255-3217 or (207) 255-3642 or email clerk@washingtoncountymaine.gov
